Where to buy Citadel Miniatures

Once you've decided which models you want, the best way to buy Citadel miniatures is to visit a Games Workshop store. Here you'll find all of the current range of miniatures on display together with examples of painted armies. All of the staff at Games Workshop are gamers and they'll be happy to give you advice on your army selection and offer tactical suggestions and tips to help you get the best from your troops.

Our stores also run a weekly games night where you can learn more about your favourite games and pick up useful factics to try out in your own games.

If there is no store in your area or... You still can't find what you need...

Although Britain is now well served with Games Workshop stores, it may not always be convenient for you to visit your nearest shop. However, there are now many fine model and toy shops that stock Games Workshop products, so why not try asking at your local toy or hobby shop, who will be usually more than willing to help.

Da Roolz Boyz Games Workshop, Willow Lane, Lenton, Nottingham, NG7 2WS

DA ROOLZ BOYZ...

When you play Games Workshop games, situations will arise which just don't seem to be covered in the rules. Don't panic, this happens to everyone. Our games are complex evolving systems and despite our best attempts, it really is impossible to write a rulebook that covers every interpretation of the rules and gaming situation. The first step is to reread the section of the rules concerned. If this doesn't sort the problem out, see if you and your opponent can agree on a common sense solution at least until the end of the game. If you really can't agree then roll a dice and get on with the game!

If you didn't sort out the problem and need a more permanent solution, you can contact the Rooiz Boyz here at Games Workshop. Like yourselves, the Rootz Boyz are enthusiastic gamers. However, we do not write the official rules and can't spend too much time answering rules questions over the phone or we'll never get the orders shipped! If you have more than a couple of questions, please write them down and mail them to us with a selfaddressed stamped envelope, and we'll be happy to reply right away.

OTHER IMPORTANT STUFF!

Spray Paints and Primers

Due to airline regulations, no spray cans may be shipped using any form of air travel. This timits us to selling spray paints and primers to UK addresses only.

Pre-Ordera

You can call our Mail Order at anytime to find out what miniatures and boxed sets are due to be released. Whenever you pre-order new releases, they are out sent out to you the day they are released.

Back Orders

Mentalives

Occasionally, an item may be on back order and rather than hold up your whole order, we will send you what's in stock and then the back ordered item(s) as they become available. If it looks like we won't get the back ordered item in for some time, we will send you a credit note with a note explaining the problem.

If we have to send a credit note, then you can return it with your next order for goods up to that value, or:

- a) you can return the credit note for a full cheque refund, or
- b) you can spend the credit note at any Games Workshop store. Credit notes don't go out of date, and can be used at any time.

GAMES WORKSHOP WEB SITE http:/www.games-workshop.com/
